

Dear Pastor,

The phrase "elections are determined by those who show up" is a reminder that the electorate who "show up" is the deciding factor on election outcomes. We are asking you and the church you lead to Get Out The Vote in record numbers in the 2026 Primary and General Elections. To determine the Primary Election dates for your State, visit: <https://www.ncsl.org/elections-and-campaigns/2026-state-primary-election-dates>.

According to Barna Research: It is estimated that 40-50 million of the 82 million Evangelicals in America DO NOT VOTE and as many as 25 million are not even registered to vote. We must do better including the 2026 Primary Election.

Evangelical Christians are often described as the "lone bulwark against moral insanity in America" and we must show up in greater numbers in the 2026 Primary and General Elections! God is at work and we need to join Him. And this is where we come in. His Ekklesia must show up in both the 2026 Primary and General Elections considering what is at stake and win the war between good versus evil that is raging in America. Scripture is clear that our war is not against flesh and blood, nor is it a political war, but a spiritual war.

Attached is a fast-track process to launch a voter registration drive at your church if you do not already have one. Just imagine the positive impact Evangelical Christians can have on the upcoming election and our nation's future if more were inspired to register to vote by their pastor and then voted Christian values in every race on both the Primary and General Election ballots.

If you or the individuals you select to launch a voter registration drive at your church have any questions, please contact Joe or Cathie Locetta (Grace International specialized ministry leaders and co-leaders of Grace Woodlands Church's Faith Votes Community Impact Team).
